1. (Confidential - GLC) Charles Kirbow, of the Senate Select Committee staff, called and said he would be at the Agency almost every day for the next few weeks and he would like to get together with me to talk about areas of mutual interest.

2. (Confidential - GLC) Jack Boos, staff of the House Select Committee called and said he has been led to believe that the future of the House Committee would be determined next week when Congress returns from the 4th of July recess. He said it would appear at the moment that the Committee will be either reconstructed or abolished completely. He said they wouldn't be able to do much in the meantime, but he wondered if those people on the staff who have been cleared might receive briefings of relatively low classification level on Agency organization and functions. I expressed some reservations about this in view of the unsettled status of the Committee. I told him that I would talk to the Director about it. He said the only staffers he expected to be involved were Gregory Rushford, Emily Sheketoff, both of whom he could vouch for and himself. He said he doubted that the Staff Director, Searle Field would be present. I told Boos that I would want to talk to the Director about this before giving him an answer.

3. (Unclassified - GLC) Jack Blum, staff of the Senate Foreign Relations Subcommittee on Multinational Corporations, called to say that Jerome Levinson and Karin Lissakers of the Subcommittee staff are currently in Rome and before their departure, Levinson had asked Blum to check with the Agency

2. (Unclassified - DFM) In response to an inquiry [Redacted]

[Redacted] I called Edith Waskewich in the legislative liaison office of the Department of State to confirm my belief that there were no executive agreement bills requiring the publication of all past executive agreements. She knew of none, but did mention P. L. 92-403, which requires transmission to Congress, under injunction of secrecy where necessary, of all executive agreements. I subsequently passed this information along to [Redacted]

(Unclassified - BAA) Called Colgate Prentice, ~~State Department~~, concerning Mr. Colby's appearance before the "Inner Circle Group" on 15 July at 6:00 p.m., asking him if it would be possible to change the date to either 18 or 21 July due to a conflict in the Director's schedule. Prentice said he was sure there would be no problem, that he would check and be back in touch with me. He said he would be leaving for vacation and if he could not get back to me, Hyde Murray, House Agriculture Committee, would.

6. (Unclassified - BAA) Jane McMullan, Senate Appropriations Committee staff, called and asked if I would verify for her how many pages were in the transcripts of the 30 April and 1 May 1975 briefings. She said their office was trying to verify this for payment to the reporters. I provided her with the information.

7. (Unclassified - BAA) Received a call from Peter Crouch, Bi-Partisan Intern Committee, asking if Mr. Cary would be interested in speaking to their group some time during the week of 30 June.
